United Counties League Knock out Cup – Preliminary Round
Desborough 3 St. Neots Town 0

St. Neots reached three cup finals in 2005-06 but there will be no repeat performance in the knock out cup following this first hurdle, Waterworks Field exit, assisted significantly by some abysmal officiating. The home team took an early lead after only two minutes when Danny Rogers cleverly nipped in front of Saints keeper, Martyn Patching, to glance in a headed goal direct from a corner. As the visitors began to settle Desborough were awarded a penalty as Kieran Harris was adjudged to have handled after a shot was struck, at the unlucky midfielder, from less than two yards; Michael Byrne stepped up to convert the spot kick. The visitors edged most of the second half and after the introduction of James Warboys for Lee Ebden created some good chances attacking down the right flank. Unfortunately against the run of play David Glass wrapped up the game, after 75 minutes, taking advantage of being at least five yards off side.

Team: Patching, Green (Ager), McKay, Harris (Walsh), Hurst, Webb, Sincock, Singleton, Deverall, Joseph, Ebden (Warboys).
